

REGENCY NSF BLACK EPOXY WIRE SHELVING

Regency Space Solutions is your source for quality, affordable wire shelving. Offering a large selection of NSF Listed wire shelves and posts, Regency Space Solutions gives you the freedom to create the perfect shelving unit at the perfect price.

Black Epoxy-Coated Zinc Plated Wire Shelving

Black epoxy-coated zinc plated wire shelving is ideal for moist and humid environments that would otherwise lead to rapid corrosion of the metal surface. It's suitable for use in all environments, including:

- Dry storage
- Garage storage
- Personal storage
- Retail
- Walk-in coolers
- Warewashing areas

Quick Assembly

Regency Space Solutions' NSF Listed wire shelving is easy to assemble using split sleeves. Simply snap two split sleeves around each wire post to keep shelves level every time. Use the incrementally notched lines to help you install a level shelf. Each wire shelf comes complete with (4) pairs of split sleeves (eight total split sleeves).

Air Flow

Wire shelving offers unparalleled air flow between and around products thanks to its wire design.

Versatility

Regency Space Solutions' wire shelving offers the rigidity of solid metal with the adjustability of plastic. No tools or hardware required. Simply move the split sleeves up or down the posts for quick, efficient change.

Weight Capacity

- Each shelf up to 48" in length: 600 lbs.
- Longer shelves above 54" in length: 450 lbs.

- Zinc plated wire with black epoxy coating
- NSF Listed
